Women
with Weapons

You Have your

**Gun &
Ammo**

Now What ?

Train to be your own First Responder

Women with Weapons is a class specifically designed for women who carry weapons and want to develop the skills to protect themselves and their loved ones.

You will learn how to react and what to do until the police arrive. Our PA State Police certified Lethal Weapons Training Staff will provide expert instruction in the following skills

- Firearms safety & handling
- Marksmanship
- Concealed Carry
- Guns - Gear - Ammo
- Gun Storage
- PA Use of Force Laws
- Situational Awareness
- What to do and say after a shooting incident

Classes are for **WOMEN ONLY*** and only female students will shoot together on the firing range!

Classroom instruction will last approximately 3 hrs. followed by 1 hour of range time with live ammo. Additional individual range time can be arranged.

*Couples classes . . . come and spend time together have fun and learn.
